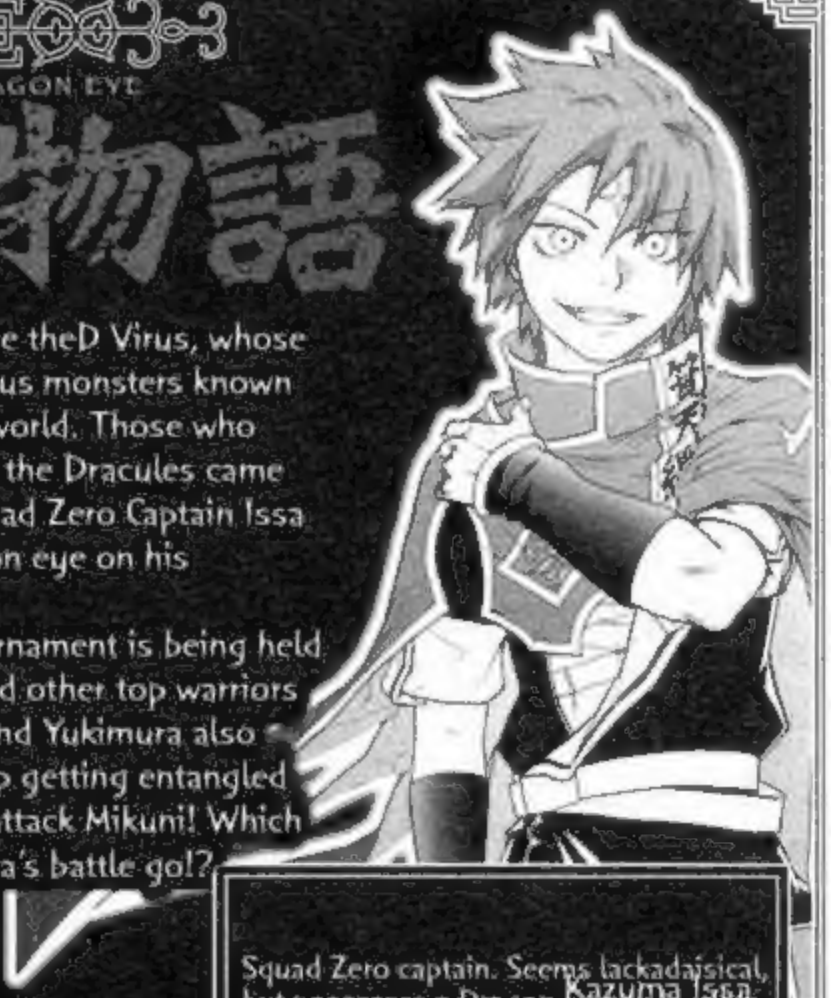
Story of DRAGON EYE

龍眼物語

It has been several decades since theD Virus, whose infected transform into murderous monsters known as Dracules, spread across the world. Those who emerged to protect people from the Dracules came to be called the VIUS. VIUS Squad Zero Captain Issa is a warrior who bears the dragon eye on his forehead.
Currently, a VIUS exhibition tournament is being held in Mikuni! Issa, Hibiki, Akira, and other top warriors are making appearances. Leila and Yukimura also qualify to participate, but end up getting entangled with Daraku, who are trying to attack Mikuni! Which way will the still-in-the-dark Issa's battle go!?



Kazuma Issa

Yukimura Sousei

A former Squad Five member who has transferred to Squad Zero. Seeks the Daraku who killed his twin sister. Weilds twin blades.

Aoi Shizue

Captain of Covert Ops unit Squad Six. Mikuni VIUS's number one beauty. Everyone has a crush on her.

Sakuraba Shun'ichi

Said to be the sharpest and strongest Mikuni warrior, he is Squad One captain anad a good friend of Issa.

Akira Ryoji

Said to be the strongest Squad One member. Has doubts about Hibiki's goals and thoughts about

Hibiki Masamune

A former Squad One member who is now with Squad Six. A young but talented warrior who weilds two blades.

Yume Lan-lan

She's an old Squad Zero member who is currently with Squad Three. An expert in unarmed combat.

Rin Kyouko

A spell-caster from Squad Eight. An old Squad Zero member who was present when it was disbanded, she desires to fight Issa.

Daraku

A mysterious group that is trying to assault Mikuni by manipulating Dracules. They are also the ones who infected Yukimura's twin sister with the D Virus.

Iriee

The Daraku leader who has infiltrated Mikuni as the aide to the minister of State of Nashuan.

Mission ⊙ Twenty-four

I Will Not Acknowledge You

You've got some look in your eyes.
You're finally getting serious.

The air between the two of them has changed.

Yes.
I suspect the match will be decided very shortly now.

This match, even though it's just a first-round bout.
"gulp"
.. it's like it's already the champi-onship round!
They've been evenly matched so far..
but when it comes to brute strength, he can't win against Akira.
Akira's just going to force him down and end it.

I've got one question for you. Why did you decide to enter the tournament?
None of your business.
Did you finally reach the age where you've become interested in power?
It's a bigger tournament than usual
If you win, your reputation will be made, for sure.

NO!!
Isn't it the same for you?
You don't put your heart into either this city or the organization!
ヴ"ヴ"
You irritate me because ...
... you scorn and mock the VIUS!!
Everyone else here ...
... is proud to be a warrior for this city!
ギギギ"

I can't bear the thought of a brat like you taking control of this organization ...
... just because he happens to be strong!

Those who don't have a soldier's pride ...
... should just give up and be some rich jerk's bodyguard!

As you said, those two both have sufficient strength to fulfill expectations.
This is an incredible match

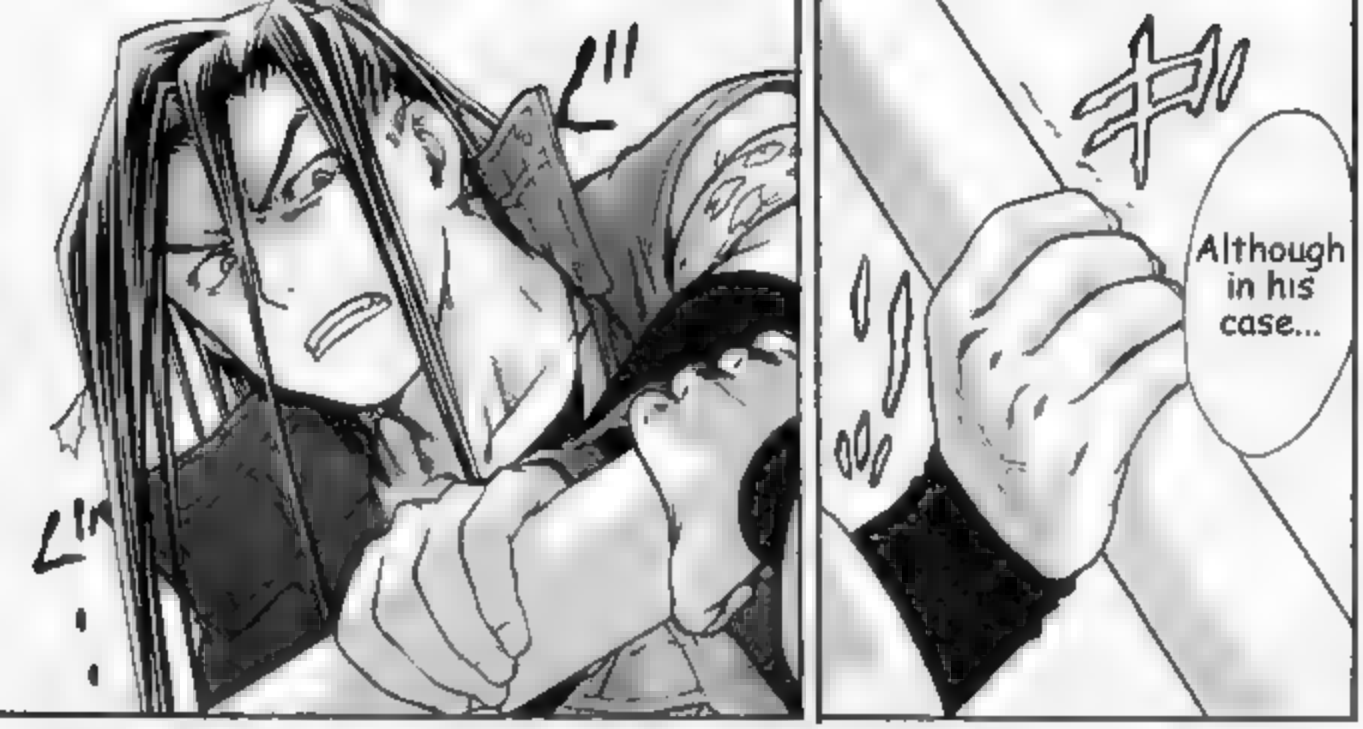
Long ago ... back when Hibiki was still a new recruit, he once brought back from somewhere a weapon that was too big for his height.
It shall be decided soon, no?

I told him I'd return it to him if and when his body caught up to it...
I confis-cated it from him.
A weapon that is too big to handle just becomes a killing tool.

You've become a leader, too.

Well, he reminds me a lot of myself.

One year later, he came to me...
...having built his body up, just as I had directed.
Although he was quite obstinate during that whole period



Although in his case...

it seems he didn't shirk his training.

A soldier's pride?

What's that?

Wha
...he's beating Akira in strength !?

ゴゴゴ

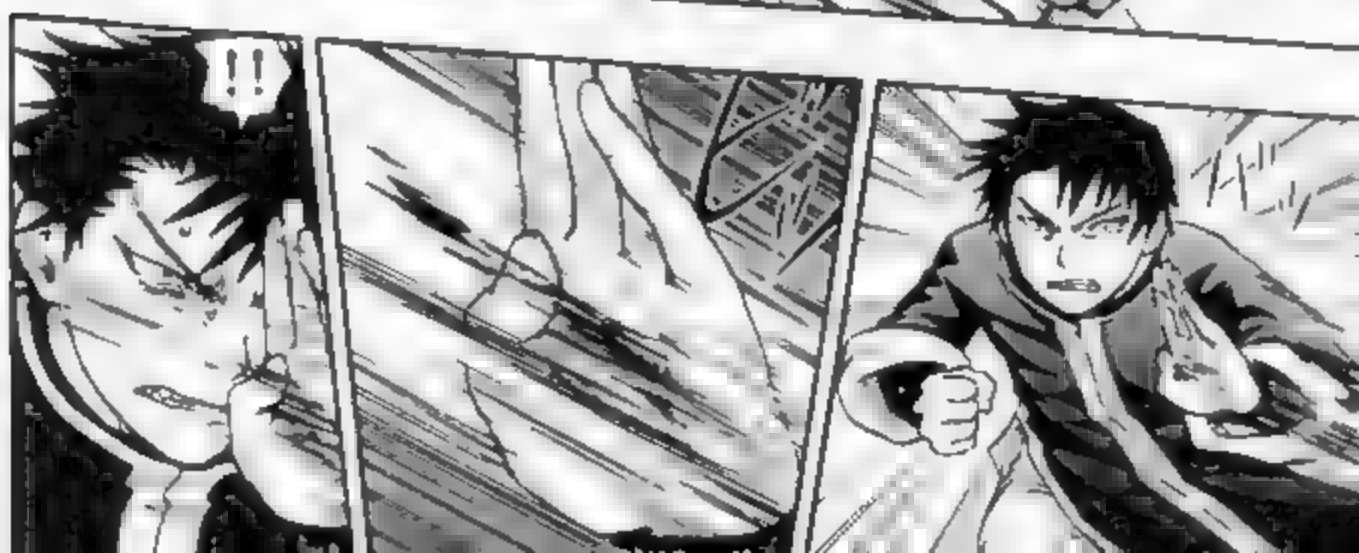
Y...
you!!

Argh
!!



!!

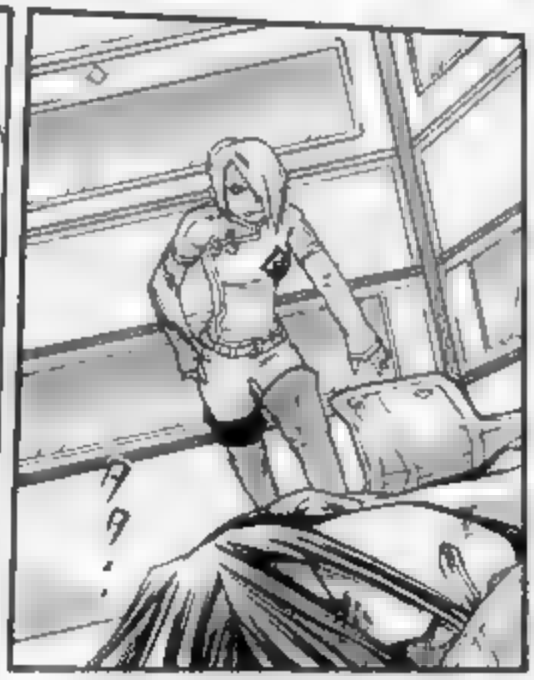
!?
Sorry, but I don't happen to love the organiza-tion like you do!
A soldier's pride, heart... I just don't get it!
If this job... didn't come with any real perks...
The point is, all we're doing is exterminating monsters.

I couldn't just deal with
monsters, monsters, monsters,
day in and day out!
It's becoming on you...
the blood
Are those... your true colors...?
You bratty little up-start!!

No!! You'll go down if you lose your cool!!

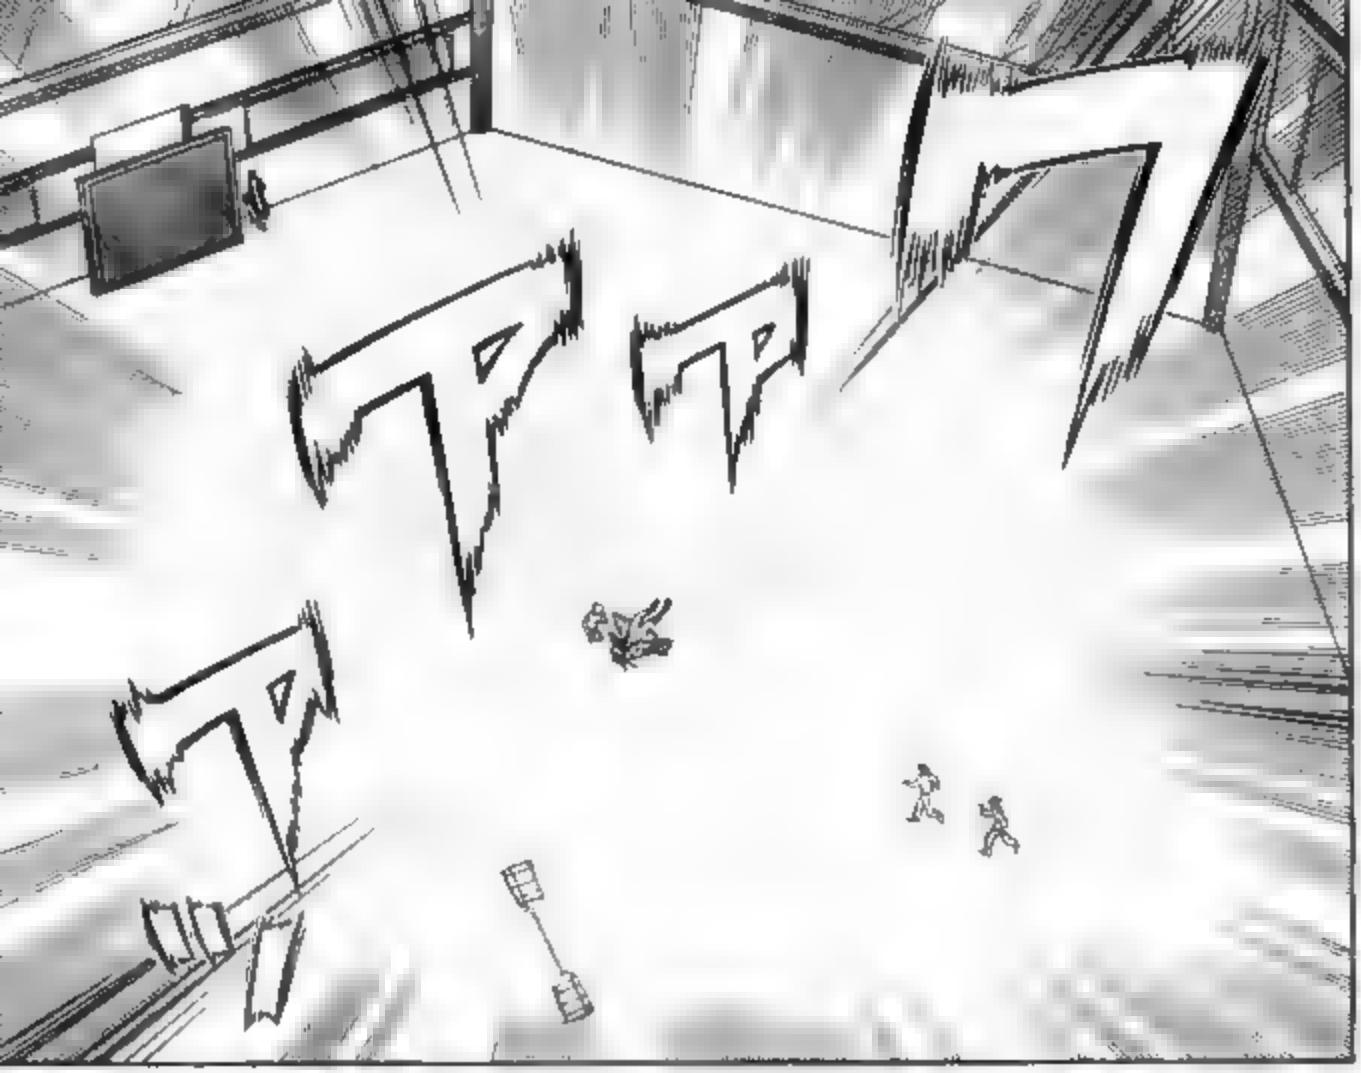
!!

The winner is...
武相亜子
Hibiki Masamune!



went down in his first match
Akira... a possible champion

Ah



Yes.
It was just as you had predicted That child won.

Akira was defeated in his first match, huh

...and right before the match, I sort of egged Hibiki on a bit.
Theyre both subordinates of mine.

...So why the long face?
HO

You have high hopes for him.
Perhaps I goaded him a bit too much

I really want him to learn something from this tournament.
Yes.

Feh.
I deflected it and he still got me.

武相
!
I'm fine now. I can walk on my own.
Go.
Huh? Y...Yes, sir.
You want some-thing?
Why did you enter this tourna-ment?
You...

!
I had a reason.
That again?

but you're no warrior.
You may be strong...

It's not my fault.
I won.
I will not acknowledge you.

Shun'ichi used to say it was important to understand one's own strengths.
武相西

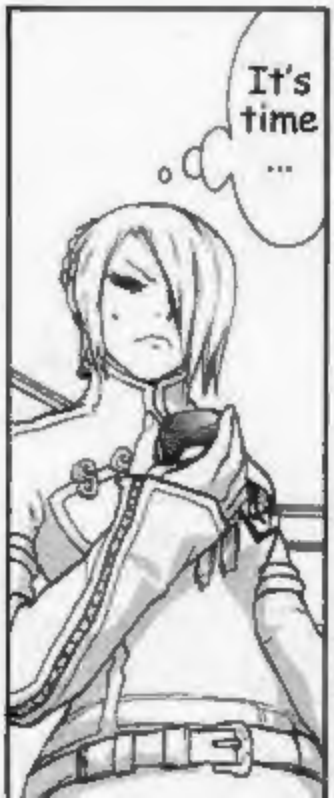
!?

ザワ ザワ
It's time. Give the signal.
We shall now commence the fourth match.
Rin Kyoko of Squad Eight...
versus Yukimura Sousei of Squad Zero!

We've searched everywhere, but he's nowhere to be found.
One of the contes-tants is missing.
What's the matter?

Why haven't they started yet?
?
What's the matter ?

As per regs, we'll wait five minutes, but...
No way. Each of the contestants is supposed to be standing by the entrances.



It's time ...

Why haven't they come back?
What's going on...?

...

As stated in the rules, Yukimura Sousei forfeits in absentia ...
!
and thus, the victor of Match Four is Rin Kyoko!
